## BOARD OF DIRECTORS NOMINATION FORM 2018

Maine Resource Recovery Association, the state's non-profit trade organization for recycling and solid waste professionals, is seeking nominations from individuals seeking to join the 2018 Board of Directors.

MRRA's Board of Directors meet once a month in the Augusta or Bangor area. Committee meetings, except those of the Education Committee, are normally via conference call. The Board consists of seven elected voting members and one appointed non-voting liaison member representing the Maine DEP. Together, they direct the policies and actions of the Maine Resource Recovery Association (MRRA).

If you or someone you know has interest in recycling and solid waste management issues and would like to participate in shaping the future activities of Maine's only statewide recycling and solid waste management organization, please fill out the information below.
